Hugo and Choctaw County will be served by a new veterinary business effective Monday, June 10. River Valley Veterinary Clinic is the new business under the ownership of Dr. Joey Eastwood, a lifelong resident of Boswell and Choctaw County.

Eastwood has purchased the veterinary facility previously owned by Dr. Ted Eudy on the east side of Hugo. The new animal clinic will specialize in small animals including dogs, cats and horses along with general veterinary medicine and pet dentistry.

Dr. Eastwood is a 2011 graduate of Oklahoma State University School of Veterinary Medicine and a 2004 graduate of Boswell High. He will be joined by his wife Sarah and a receptionist in the clinic, which will feature the latest equipment in small animal radiology with general and advanced diagnostics.

"We look forward to serving the medical needs for all small animals in Hugo and surrounding areas," Dr. Eastwood said.
