

On Wednesday, June 19, 2013, the Hugo city council and the Hugo school board met in joint session and agreed to go forward with preparations for a new Hugo High School.

The city and the school each have responsibilities to Hugo patrons. Keeping this in mind, the board will conduct a public hearing at 6 p. m. July 2 in the Kiamichi Technology Center. The school architect and the municipal bond representative will both be attending. The board will welcome public input and questions at this time.

Seniors who have not picked up diplomas and transcripts may pick them up in the high school administration office. Mrs. Beesley, the high school secretary, will be in the office each day from 8 a. m. until 3 p. m. Mr. Harrison, the principal, will be in and out of the office the first two weeks of July.
